Hair & Make up

Hair and make up are not provided in the cost of your dance shoot. This is a service we can provide at an additional cost but our experience is that for the most part our targeted audience is more than capable of preparing themselves appropriately. We do provide high quality Hollywood mirrors in your change room which are perfect for you to prepare. Dancers and performrs that require professional hair & make up will be put in contact with our hair and make up professional to discuss your needs.
