

Primal Studios

An exceptional service for the discerning dancer & performer

Dance photographer Damian Tierney, teamed with multi award winning choreographer and elite dancer trainer Jo Cotterill, working out of Primal Studios, a new custom built dance photographic studio at Tuggerah, NSW provides dancers & performers with the ultimate dance shoot experience. Leading choreographers, dance trainers & dancers seek out Primal Studios because they recognise the importance of the finer details when it comes to the dancers technique, lines and the correct & safe instruction given during a shoot. This combined with Damian's ability to capture the emotion and essence of a dancer and translate that into a magnificent work of art makes for an experience never to be forgotten.
