Primal Studios

Welcome to Primal Studios, the home of photographers Lauren & Damian Tierney. We created our beautiful studios because we dreamt of something different, something special, a place where we could relax and nurture our photographic journey unhindered by the chaos of everyday life.

We strive to create striking, vivid & beautiful images, timeless works of art, photographs that stir emotions and touch the soul, we capture the perfect moment in time, that moment never lost and forever cherished.

For the quality and service that we offer you will find our prices very reasonable.

While we do have a session fee for our time and expertise, we **do not** have a minimum buy requirement for our prints and files or any other hidden costs.

To keep it nice and simple we have 3 types of shoot sessions available for all styles of our photography,
